

Sample E-Letter for CPR Riders to Send to Jewish Family and Friends in Georgia

My Well Wishes to You. . .

I thought I'd drop you a note because the Georgia U.S. Senate runoff will soon be upon us, and I fear many of our Jewish friends and family in Georgia may make a mistake in casting their ballots for Democrats Jon Ossoff and Raphael Warnock – a mistake we'll all bitterly regret.

While a majority of Jewish voters are traditionally Democrats, any review of this new radical socialist Democrat Party, including Ossoff and Warnock, show they may well be the biggest enemies of the Jewish people in American history.

Raphael Warnock even signed a letter likening West Bank to apartheid South Africa. And though he is of Jewish heritage, Jon Ossoff supported the Obama Iranian nuclear deal, which threatens Israel's very existence. He even opposes the recognition of Jerusalem as Israel's official capitol.

And just look at what is happening in Democrat controlled New York City.

Under orders of Democrat Mayor DeBlasio, Jewish Americans are being rounded up and arrested for attending funerals and meeting for worship and Synagogues are being shut down because "too many people" are in attendance.

History is not kind to this type of government control.

The Republicans on the other hand have taken clear, concrete pro-Jewish actions.

Last December, in the White House with Harvard law professor Alan Dershowitz and New England Patriot's owner Robert Kraft at his side, President Trump signed an executive order for the purpose of combatting anti-Semitism on college campuses.

His order recognizes for the first time Judaism both as a faith and as a nationality to protect Jewish students under Title VI. Title VI outlaws discrimination on the basis of race, color, and national origin by colleges benefiting from federal funding. The ADL welcomed the president's action.

Jewish voters would also be wise to note the Republican Party's outstanding pro-Israel record. Thanks to President Trump and the Republicans, the American Israeli relationship is stronger than ever because the United States . . .

- now recognizes Israel's capital as Jerusalem AND moved its embassy there. For over 40 years, presidential candidates have promised to make Jerusalem Israel's capital, but only President Trump did it.
- stopped labeling Jewish settlements in Judea and Samaria illegal;
- boosted Israeli security by recognizing Israel's control over the Golan Heights with Syria, which used chemical weapons on its own people to stifle dissent;
- tore up the Obama-Biden nuclear weapons deal with Iran;
- made possible the historic Abraham Accords Peace Agreement normalizing relations between Israel, the United Arab Emirates, and Bahrain for which he has been nominated for the Nobel Peace Prize three times.

Contrast this second-to-none pro-Israel record versus the Obama/Biden administration's support behind UN Security Council Resolution 2334. It condemned Jewish people living in their Biblical homeland, saying it violated international law.

Remember, too, the Obama/Biden administration did **NOTHING** to stop Iran's potential for building nuclear weapons targeted at Israel. Is there **ANY** reason to think Joe Biden and Kamala Harris would change this policy that poses an existential threat to Israel and the Jewish relatives of American Jewish citizens?

Before voting, Jewish Americans in Georgia who are considering voting Democrat in the Senate runoff elections would be wise to realize that the "Jewish-friendly" Democrat Party of their parents and grandparents is **NOT** the Democrat Party of today. Today, along with Joe Biden, Ilhan Omar, Rashida Tlaib, and Alexandria Ocasio-Cortez, **the New Democrat Party is the anti-Israel party.**

This is why I feel Israel, and Jewish Americans, can't afford to have Joe Biden in the White House along with a Democrat controlled House and Senate kicking sand in Israel's face . . . or in the face of America's Jewish voters who support their national homeland.

And that's why Jewish Americans in Georgia simply must vote for the Republican incumbent **Senators David Perdue and Kelly Loeffler** as their true champions for peace-loving Jewish Americans who care about their proud heritage.

This election is simply too important for Jewish Americans to ignore, or worse, vote Democrat. Both Democrat candidates Jon Ossoff and Raphael Warnock will march lock step with the rest of the New Democrats in threatening both the freedom of religion of Jewish Americans here in the U.S. and their treatment of the Jewish people in Israel.

P.S. If you share my concerns about the anti-Israel, anti-Semitic positions of many New Democrat politicians, please forward my letter to other Jewish Americans, especially family members and friends who live in Georgia.
