## VIGUERIE'S PAC LAUNCHES A GRASSROOTS ADVERTISING CAMPAIGN TO BRAND McAULIFFE AND VIRGINIA DEMOCRATS AS DANGEROUS RADICAL SOCIALISTS.

**MANASSAS, Virginia** – Over 500,000 postcards and talking point flyers have been distributed via postal and email to conservative activists, to be copied and sent to millions of Virginia voters in the last weeks of the November 2<sup>nd</sup> election campaign.

Also, in the last week of the campaign, FedUp PAC is contacting 100,000 Virginia grassroots conservatives with postcards and talking point flyers to make more copies and circulate to their family, friends, neighbors, co-workers, and fellow church members, which will reach most Virginia voters.

Viguerie for most of the year has predicted a 55-45% Youngkin victory and a 2022 GOP House of Delegates with 60+ members appears to be in sight, as the McAuliffe campaign meets a perfect storm. With collapsing support for President Biden and national Democrats, Republican sky-high enthusiasm, and McAuliffe's contracting a serious case of self-inflicted socialist foot and mouth disease, combined with Youngkin and his campaign team conducting a near flawless campaign, these events will lead to a landslide victory on November 2<sup>nd</sup>, and put serious wind into the conservative movement 2022 campaign plans.

## **A Brief Look at Some Key Issues in the November 2<sup>nd</sup> Virginia Elections**

The Democrat Party, in Virginia and nationally, has been captured by radical, anti-American socialists, and if they win the November 2, 2021 Virginia election for Governor, Lt. Governor, Attorney General, and House of Delegates, **THEY WILL...**

- ...cut the police budget significantly (which will cause crime to increase) and spend the money on programs to “re-educate the police.”
- ...put the Teachers Unions in total control of what children (including Pre-K and K) are taught, including what they see, hear, and read. McAuliffe believes parents have no say or right to know what happens in a classroom.
- ...force Critical Race Theory (CRT) to be taught in all public schools, and to all Virginia employees, as well as anyone receiving state money. CRT teaches that the greatest country in the history of the world—America—is a racist country, whites are racists, and minorities are victims of white racism, which will divide Americans.
- ...continue to support President Biden’s policy of allowing/encouraging millions of foreigners to illegally enter America, and many will become citizens of Virginia, entitled to vote and benefit from all welfare programs.
- ...abolish Virginia Right to Work laws, which will then allow Union bosses to force people to join a Union and pay dues or be fired.
- ... to legalize partial-birth abortions, eliminate parental consent for minors to get abortions, and any other restrictions on abortion until birth and beyond.
- ...greatly restrict your 2<sup>nd</sup> Amendment rights and some radical, Democrat socialists want to confiscate all privately owned guns.
- ...increase government spending and debt for future generations to pay.
- ...significantly increase rules and regulations for small businesses. Thereby killing hundreds of thousands of Virginia jobs.
- ... continue following the Cancel Culture demands of the radical, anti-American Democrats.
