“Whom shall I send?” and
“Who will go for us?”
And I said, “Here am I. Send me!”

New Democrats to Catholics: Catholics Not Welcome!

It's clear from recent actions and statements by national New Democrats that they want to return to the anti-Catholic bigotry of the past by using the power of the government to force Catholics to change their religious beliefs, impose a “religious test” on Catholics, and prevent practicing Catholics from serving in the government, especially the courts.

Conclusion

The new Democrats are in clear violation of the U.S. Constitution by applying a "religious test" when considering pro-life Catholics to serve in the government.

If the Democrats could have their way, they would rewrite the U.S. Constitution to now include: *Catholics not welcome!*
