

Sample e-Note for Latinos to send to their Latino Friends

Dear [Fill in Your Friend's Name],

I'm sending this to you because we're friends and you need to know this.

Continued votes for these New Democrats are votes against the interests of the Latino community.

The Democrats are just using Latinos. They pretend they understand Latinos like you and me, but they don't.

You and I are both voting because we're U.S. citizens. You know how hard you have to work, and how important safety and good education is to the Latino community.

Unlike the Democrats, Republicans support Charter Schools that provide good education for low-income and minority families that will bring about real opportunity, wealth, and happiness for us and our community.

And the Republicans in general stand up for America. America First. You and I are U.S. citizens, so we're part of America - the America that President Trump is putting first.

I sympathize with the caravans of Latino people wanting to come here to have a chance at the American Dream by escaping socialist/Marxist dictatorships. But Biden is now ushering in those same dangerous Marxist/Socialist policies.

These policies will kill our jobs, cut our income, hurt our families, and make us line up for charity instead of being able to work. No thanks!

Republicans also protect our religious liberty and our values. And they work to keep our families safe by supporting police in our neighborhoods and locking up criminals.

There's no arguing that President Trump built the greatest economy ever. He got the lowest unemployment rate ever for Latinos. You know what a strong work ethic we have. President Trump fought for workers, for jobs, and for fair trade deals that protect workers and their jobs.

Now you and I must work together to elect Republicans to take back the Congress from the New Democrats and their violent, evil, anti-God, job killing policies.

P.P.S. If you share my concerns about the Socialist/Marxist views and policies of Joe Biden and the New Democrats, please forward my message to other Latinos, especially your family members, friends, neighbors, people you go to church with, and anyone else you know who may be ready to work to elect Republicans.
