## It's the Ballgame America... Are You Acting Like it?

Conservatives, we are in a battle for the survival of a free America established and created under God's laws. No one should stay on the sidelines in this election.

That's why we have to act like it. We need to work together to save America for our children, grandchildren, and future generations.

The biased mainstream media will not tell the voters the true agenda of Joe Biden and the New Democrats listed on this card. It is up to us to inform and educate our family, friends, neighbors, and others. Pass this card on after you've gone to [www.FedUpPAC.org](http://www.FedUpPAC.org), printed more copies, and forwarded to your e-mail list.

At our website, make a donation to get the facts about Joe Biden and the New Democrats to millions of voters.

And I hope you will volunteer to be a member of the Conservative Paul Revere (CPR) Riders—there's no cost. Here in relatively few words is how important a role CPR volunteers will play in a Trump victory:

Become part of a Paul Revere-type army of 1,000,000 conservative volunteers to use print and electronic materials produced and supplied by FedUp PAC to bypass the biased mainstream media and educate family, friends, neighbors, and others that the New Democrats are anti-God, open borders, mean, evil, violent, anti-American, elitist socialists.

It's up to us conservatives to lead the way.

God bless you, your family, and America,

Richard A. Viguerie, Chairman

This program by FedUp PAC is an Independent Expenditure in support of re-electing President Trump and electing a Republican Congress. Donating is not a contribution to the Donald J. Trump for President campaign committee and does not limit you in contributing to his official campaign committee.

## It's the Ballgame America... Are You Acting Like it?

### America hangs in the balance based on November 3rd election results

Here's a short list of actions the elitist socialist New Democrats will take in 2021 and 2022 if they win the Presidency and the Congress that will turn America into a one-party socialist dictatorship, making sure they never lose another national election:

1. Give citizenship (which includes voting rights) to 10-15 million illegals.
2. Relax border security, then Democrats will add 1-2 million new illegals to the voting rolls each year.
3. Increase the number of legal immigrants allowed in each year.
4. Add 2-4 justices to the Supreme Court (they can do this with a President, Vice President, and 50 Democrat Senators).
5. Change voting laws to allow unregistered voters to show up at the polls on election day and register and vote.
6. Mail all residents a ballot and allow anyone to turn in anyone else's ballot.
7. Make election day a federal holiday.
8. Outlaw the requirement of a photo ID in order to vote.
9. Begin to abolish the Electoral College.
10. Increase subsidies for illegal immigrants and reduce or abolish work requirements for welfare (in order to encourage Democrat party voting).
11. Reduce voting age to 16 or 17 years of age as is now being done in Maryland and California local elections.
12. Allow felons and prisoners to vote.
13. Political speech on the internet, TV, radio, and newspapers will be silenced for all who oppose the New Democrats.

## The new Democrats Will Turn America into a One-Party Third World Socialist Dictatorship

Should the Democrats win in November, this is what we can expect to happen as they change America into a one-party socialist dictatorship:

- a. American exceptionalism will be a thing of the past.
- b. Our military will be gutted.
- c. Because New Democrats hate the military, veterans' benefits, including healthcare, will be slashed.
- d. Because New Democrats hate the police, law enforcement budgets will be slashed and crime will explode (murder, rape, burglaries, etc.).
- e. Abortion will be as easy as having your nails done and will be paid for by your taxes. Democrats are committed to repealing the Hyde Amendment and the Mexico City agreement, which prevent tax dollars being used to pay for most abortions. So, if the Democrats win this November, through your tax dollars, you and every other American will be complicit in paying for abortion, including partial-birth abortion and infanticide, not just here but worldwide.
- f. Private ownership of guns will be prohibited.
- g. Right to work laws will be prohibited.
- h. Religious activity/liberty will be restricted to the inside of churches, synagogues, and mosques.
- i. Criticism of liberal beliefs will be called Hate Speech punishable by public

▲ George Washington and Christopher Columbus statues are being torn down and defaced by violent Left-wing mobs without any serious criticism by most Democrat politicians.

- j. shaming, loss of employment and/or your business, fines, and/or prison. America will cease to have real borders. A welcome mat will be put out for anyone and everyone, and the new message will be "y'all come on in."
- k. Medicare for All will soon be law, and all private health insurance programs will be outlawed, and everyone will get their healthcare through the government. Rationing, leading to death, will be commonplace for seniors.
- l. Everyone will be guaranteed an income whether they work or refuse to work.
- m. Trillions of dollars will be given to African Americans for slavery reparations.
- n. To pay for reparations, welfare for illegals, guaranteed income for everyone, etc., your taxes will need to be increased to the rate liberals had them in the 1950s, which was 90%.
- o. New Democrats biased against Christians will make it difficult for Christians to get government jobs, especially as federal judges.
- p. Women will have to allow boys and men in their bathrooms and showers.
- q. Boys/men who identify as females will be allowed to participate in girl's/women's sports teams, and the males will soon dominate girl's and women's sports.
- r. Green energy will dominate the Democrats agenda, and they will begin to limit all production and usage of fossil fuels. Commercial air travel and personal cars will be greatly reduced.
- s. Statehood will be given to Washington DC, Puerto Rico, Guam, and the Virgin Islands to get more Democrats in Congress.
- t. *Brave New World* and *1984* will have arrived in America in 2021.
