Conservative Paul Revere Rider Action E-mail #41

Dear Conservative Paul Revere Rider,

If you watched the debate between Republican Kelly Loeffler and New Democrat Raphael Warnock for one of the two runoff Senate races in Georgia this past Sunday, you could take comfort that Loeffler did a fine job.

Despite a good showing, Loeffler could have delivered a slightly stronger message on the abortion issue.

Her shortcoming was that she did not stress enough that unlimited taxpayer-funded abortions may soon be passed into law should Warnock and the other New Democrat Senate candidate, Jon Ossoff, both win in Georgia.

Should these two New Democrats win their races, the New Democrats will have **TOTAL** control of the Federal Government (the White House, the House of Representatives, and the U.S. Senate). And they will move quickly to repeal the Hyde Amendment. The Hyde Amendment, passed in 1977 and passed yearly ever since, prohibits the use of your tax dollar for abortion except in the most extreme cases.

If Hyde is repealed, that means you and every other American, regardless of your disapproval of abortion, will now be unwilling partners in the murder of the unborn as your tax dollars would be used to fund abortion on a massive scale.

You can pick up where Senator Loeffler left off and help educate Christian and other pro-life voters who live in Georgia that a vote for either of the New Democrat Senate candidates in Georgia will be a vote to allow your tax dollars to pay for unlimited abortions.

In today's e-mail, I'm including my updated ***e-Report***, "[Hello Evangelicals & Catholics – You will now be forced to pay to kill babies.](#)"

Leading up to the runoff elections in January, you can help by:

- **Forwarding** this [e-Report](#) to your family members, friends, and others who live in Georgia to educate them about the danger of voting for either of the two New Democrat Senate candidates in Georgia who will side with Biden, Harris, and the rest of the Democrats in Congress to repeal the Hyde Amendment and force them to pay for abortions with their tax dollars.
- **Posting** this [e-Report](#) on Facebook, Twitter, your website, and other social media sites to expose the New Democrat's chilling plan to use taxpayer funds to pay for unlimited abortions and to provide voter educational material to urge Georgians to vote for the Republican Senate candidates.

If the New Democrats gain control of the White House and both Houses of Congress come January, there will little we can do to stop our tax dollars from paying for abortion and preventing the New Democrats march to turn America into a socialist/Marxist country.

P.S. FedUp PAC has made the commitment to pour every resource into the battle to help the Republicans keep control of the U.S. Senate and preserve the America you and I know and love.

Please consider a [gift of \\$25](#) to help FedUp PAC reach about 500 households in Georgia with voter education material, like these e-Reports, that urge Georgians to support both pro-life Republican Senate candidates.

Likewise, a [gift of \\$35](#) will help FedUp PAC reach 700 Georgia households, and a [gift of \\$100](#) allows us to reach some 2,000 households in Georgia with strong conservative messages.
