

pack the Supreme Court, weakening protections for minority viewpoints by allowing 51% to rule against the other 49% ... that's *weird*. (And un- American.)

- Democrats want to increase their power by giving 16-year-olds and convicted felons the right to vote ... that's *weird*.
- As Minnesota Governor, Walz created a “snitch hotline” that asked people to inform on and report their neighbors for being outdoors during “Lockdown Tim’s” COVID social-distancing orders ... that's *weird*. (And scary.)

Yet the Democrat Harris-Walz Team Calls Itself the “Freedom Ticket” ... *That's Really Weird*.

Help FedUp PAC Spread the Word

A Rasmussen poll finds nearly three-quarters of voters think it's wrong to allow males who pretend to be female to compete in girls' and women's athletics ... but only 36% are aware Kamala Harris endorses that policy.

(The Washington Times, 9 August 2024)

Here's how you can help educate voters that the Democrats are the weird ones:

1. **Order** or download and print copies of this card and give it to family, friends, neighbors, co-workers, and others.
2. **Rush** a donation to help FedUp PAC create an army of modern-day Paul Reveres working to educate 100,000,000 voters with high-impact literature like this card.

So, the Democrats Wanna Talk About WEIRD?

That's *weird*, because the Democrats are the real “weirdos.”

Democrats Are Anti-Woman, Anti-Child

- The Democrats demand boys be allowed in girls' restrooms, locker rooms, and showers, and that men and boys compete in girls' sports ... that's *weird*.
- Democrats want to allow a man dressed as a woman to show pornography to children as young as kindergarten in the school library ... that's *weird*. (Just let that one sink in.)
- As Governor of Minnesota, “Tampon Tim” Walz put free tampon dispensers in boys' restrooms in public grade schools ... that's *weird*.
- Democrats claim they can't define “woman” because they're “not a biologist,” yet they insist that “trans women are women” despite their male biology and anatomy ... that's *weird*.

Democrats Caused a Border Invasion

- Kamala Harris, as the “Border Czar” who oversaw the worst illegal immigrant invasion in U.S. history, now tries to claim she was never the Border Czar in the first place ... that's *weird*.

- The Democrats are ignoring “busloads” of Chinese men of military age (estimates of more than 30,000) sneaking across our southern border ... that’s *weird*. (And dangerous.)
- Harris has called for U.S. Immigration and Customs Enforcement (ICE) to be abolished ... that’s *weird*.
- Harris’s running mate Tim Walz says he’ll invest in a 30-foot ladder factory to help illegals enter the U.S. if Trump builds a 25-foot-high southern border wall ... that’s *weird*.

Democrat Inflation Caused 20% Price Hikes

- Kamala Harris cast the tie-breaking vote for both the \$1.9 Trillion American Rescue Plan in 2021 and the \$700 billion Green New Deal “Inflation Reduction Act” the next year that led directly to 9.1% annual inflation, hiking prices on everyday items more than 20% in three years ... that’s *weird*. (And expensive!)
- The Harris-Biden spending spree saddled us with \$2 Trillion a year of new debt spending that will ultimately have to be financed by even more inflationary money-printing ... that’s *weird*.
- As Minnesota Governor, Tim Walz followed the Harris-Biden playbook by passing a 2-year budget with 38% higher spending and a \$10 billion tax hike ... that’s *weird*.

- Walz recently urged Democrats: “Don’t ever shy away from our progressive values. One person’s Socialism is another person’s neighborliness” ... that’s *weird*. (And naive.)

Democrats Are Against Religious Liberty

- During COVID Democrats supported closing church services while allowing liquor stores,

marijuana dispensaries, and strip clubs to stay open ... that’s *weird*.

- Democrats labeled Catholics who attended Latin Mass as potential terrorists ... that’s *weird*. (And bigoted.)
- Democrats favor using “hate speech” laws to punish those who profess the belief that marriage is between a man and a woman, or that gender is biologically determined ... that’s *weird*.

Democrats Don’t Want to Make America Great Again

- Democrats want to mandate by next year that people have to buy super-expensive electric vehicles that don’t work and no one wants ... that’s *weird*.
- Harris promised to ban the “fracking” technology that made America energy-independent under President Trump and kept gasoline prices affordable ... that’s *weird*.
- Harris wants to ban the private health insurance most Americans rely upon, so Democrats can force everyone onto a government-run system with rationing and death panels that will bankrupt Medicare ... that’s *weird*.
- The Harris-Walz ticket proudly leads the only political party in America today that defended and fought for slavery 160 years ago, but now demands taxpayer-funded reparations for slavery to whitewash their shameful mistake ... that’s *weird*.
- During the 2020 George Floyd riots where more than \$2 billion in damage occurred (much of it destroying small and family-owned businesses), Harris said, “...these riots will not stop, and should not”, and Walz, as Governor of Minnesota, failed to call in the National Guard to put down fiery protests in Minneapolis for two full days, too late to avoid \$500 million in damage ... that’s *weird*.

Democrats Are the Real Threat to Democracy

- To stay in power, Harris and the Democrats lied to America for the last four years about Joe Biden’s rapidly deteriorating mental state ... that’s *weird*.
- Democrats want to shred the U.S. Constitution with plans to abolish the Electoral College and
