

To save Social Security and Medicare, it is going to require sound, conservative leadership.

IF HARRIS WINS THE WHITE HOUSE AND THE DEMOCRATS TAKE THE HOUSE AND SENATE:

GOVERNMENT-RUN HEALTHCARE WILL BE A REALITY.

You will no longer have control over your own healthcare choices. When asked by Jake Tapper of CNN in January of 2019 if she favors eliminating private health insurance, Harris said “*So for people out there who like their insurance, they don’t get to keep it.*” – Forbes, July 28, 2024.

INCREASED COMPETITION FOR A LIMITED NUMBER OF DOCTORS AND HOSPITAL BEDS.

It’s only going to get worse, and the growth in the U.S. population is a big factor. In 10 years, there will be 22.9 million more seniors over 65.

CURRENTLY COVERED TESTS OR PROCEDURES DENIED.

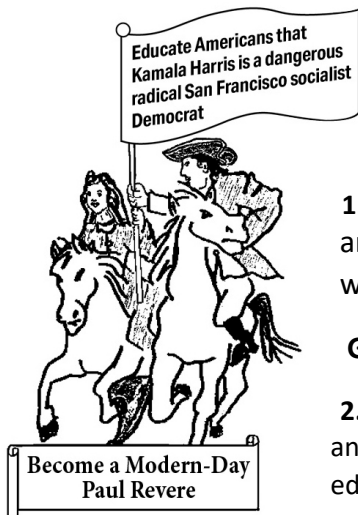

The government could decide whether you do or do not need certain tests or treatments. That would be fatal to most seniors waiting for life-saving surgery.

Here’s how you can educate voters that Harris and the Democrat Party’s open borders policy is anti-seniors:

- 1.) Reprint or order these talking points and get to family, friends, neighbors, co-workers, fellow churchgoers, and others.

Kamala Harris and the Democrat Party’s Open Border Policies are Anti-Seniors

The American Health Care Act (AHCA) failed to restore \$700 billion taken from **Medicare** to pay for Obamacare during the Obama White House years.

Should Harris and the Democrat Party keep the White House and take over both houses of Congress, their plan to put everyone on Obamacare, including some 30 million illegals, would quickly bankrupt the Medicare system as more funds are drained from Medicare to fund a government-run health care scheme causing great harm to our nation’s seniors.

And with **Social Security**, the invasion of millions of illegals who use illegally obtained, forged, or invalid Social Security numbers, will eventually collect the benefits from legal citizens who have worked hard to qualify for those benefits. Many are or will soon be senior citizens expecting their full benefits to kick in.

HERE'S HOW THE DEMOCRATS' OPEN BORDER POLICY WILL DESTROY SOCIAL SECURITY AND MEDICARE - AND HURT SENIORS

IF WE DO NOTHING:

Social Security and Medicare are already in trouble. Benefits could be cut by 20% or more for tens of millions of Americans by 2035.

IF THE DEMOCRATS WIN IN NOVEMBER - THE SYSTEM WILL BE OVERWHELMED.

If 30 million illegals are thrown into the system already overwhelmed by rising patient numbers. With our open borders, that number will skyrocket with millions more illegally entering our country annually.

IF WE DO NOTHING - SOCIAL SECURITY AND MEDICARE WILL BE BANKRUPT IN LESS THAN 5 YEARS. There will no longer be a safety net for seniors - those who need it the most.

IF THE DEMOCRATS WIN IN NOVEMBER - LONG WAITS TO SEE A DOCTOR BE THE NEW NORMAL.

The average doctor's appointment wait time in 2022 was 26 days. More patients mean longer waiting periods. Many seniors could die waiting to be checked out or get treatment.

IF WE DONOTHING - LONG WAITS FOR LIFE-SAVING SURGERY WILL INCREASE.

Remember what happened during the COVID pandemic: delayed diagnosis of cancer, deferred tests and treatment delays. Delayed diagnosis means lower positive outcomes and increased death rates.

IF THE DEMOCRATS WIN IN NOVEMBER A SHORTAGE OF DOCTORS WOULD BE FATAL TO SENIORS.

We are already seeing a shortage of doctors. 35% of physicians will be of retirement age in the next five years. The U.S. faces a projected shortage of between 37,800 and 124,000 physicians within the next 10 years.
