

"Harris-Walz is the most **anti-Catholic** ticket ever."

Kamala Harris is anti-Catholic

- In 2018, Senator Harris **grilled judicial nominee Brian Buescher's fitness** to be a district judge because of his membership in the Catholic charity known as the Knights of Columbus.
- In the same hearing, **Harris attacked Buescher's Catholic belief** that marriage is between a man and a woman – in her mind disqualifying him from serving on the federal bench.
- Kamala Harris, as California's Attorney General declined to prosecute Planned Parenthood for selling aborted baby parts but prosecuted the Catholic journalist who exposed that crime.
