

# Biden-Harris Deliberate Wide-Open Border Policy Is Destroying America.

- More than 10 MILLION illegals have invaded America through our southern border under Biden-Harris that we know about . . . plus millions of “got aways.”
  - **This is by design.** As a candidate, Joe Biden said “if he were elected president, migrants should immediately surge to the border.” Freebecon.com, May 10, 2023.
  - As Border Czar, **Kamala Harris** visited the southern border once since March of 2021, yet has traveled to foreign countries a dozen times despite **362 aliens on the terrorist watchlist** having been caught crossing our Southwest border illegally. House Homeland Security Committee, May 22, 2024.
  - The reason Democrats want a wide-open southern border is this is their strategy to create tens of millions of new citizens/voters for socialism. They want to lock in permanent one-party Democrat rule.
  - President Joe Biden signed **93 Executive Orders** reversing President Trump’s southern border security measures.
  - Biden-Harris ended Donald Trump’s “Remain in Mexico” policy for asylum seekers; stopped building Donald Trump’s border wall and allowed the millions in taxpayer funded border barriers and parts to sit piled up in stacks.
  - America taxpayers will spend over \$151 BILLION in 2024 for illegals to have free cell phones, meals, legal aid, health care, and hotel rooms.
  - Upon arrival in America, this tidal wave of illegal invaders immediately receive . . .
    - Up to **\$1,266 per month on prepaid credit cards**
    - Free food • Free housing • Free health care
    - Free school
- Well, NOT actually free at all. You are paying for it, with your hard-earned tax dollars.
- These 10 MILLION+ newly arrived migrants are now living better than about 30% of Americans.

- At least **93,000** illegal invaders are young males of military-age from terror hotspots like Iran, Iraq, Syria, North Korea, Russia, with some 28,000 alone from China. Why are these communist countries sending us these people?
- On illegal immigrant paroles (allowing illegals to go free after agreeing to return for a hearing years into the future): under Trump in 2020, some 30,000, under Biden in 2023, almost 1.3 million. Washington Post, Feb. 11, 2024.
- Illegal immigration is a national crisis since the Biden-Harris regime has been transporting these illegals to cities, towns, and communities all across America, making it very difficult to find and deport them if Donald Trump is elected President on November 5<sup>th</sup>.
- As a result of this tidal wave of illegal aliens, many America's cities have become crime war zones.
- These 10 MILLION+ illegal migrants under Biden-Harris are taking jobs from Americans.
- Illegal immigration costs each American taxpayer \$1,156 per year. FAIR, March 8, 2023.
- Medicaid for U.S.-born children of illegal aliens cost the U.S. taxpayers \$5.3 billion in 2022. FAIR, March 8, 2023.
- The U.S. government is now \$35 TRILLION in debt. To fund the \$151 BILLION Biden-Harris are spending on these 10 MILLION+ illegal migrants, new money must be printed, which creates a massive hidden tax called INFLATION.
